11th December 2025

Dear Parents and Carers,

We hope you are all well and preparing for Christmas,

As part of our upcoming fundraising for our PTFA and Christmas events, we are excited to announce that we will be holding a **Rainbow-Themed Hamper Raffle**. The aim of this is to raise funds for your children within school and we would love you all to be involved.

We are seeking donations of **colourful items**, that will help create vibrant and eye-catching hampers, the hampers will then be raffled within school.

Each year group will be allocated a colour as detailed below. We would be most grateful if children could kindly donate to their year group hamper an item of the allocated colour. This could include anything from food and drink items (such as sweets or snacks), to stationery, toys, accessories, and more! The idea is to create a fun selection that will appeal to all ages.

If you would like to contribute, please bring your donations to school by Monday 1st December 2025 and this will allow us time to prepare each year groups hamper, ready to display them before selling raffle tickets. We greatly appreciate any support you can offer, and your donations will make a big difference to the success of this fundraising effort.

Thank you, in advance, for your generosity. We look forward to creating a rainbow of fun and excitement with your contributions!

Kind regards,
