Introduction

Our uniform shows that we are part of St. Mary's Catholic Primary School community. School uniform plays an essential role in promoting a sense of identity, belonging and pride across the school community. It supports equality by reducing visible differences between pupils and helps create an inclusive environment where all children feel valued. A consistent uniform contributes to high standards of behaviour and a readiness for learning. It also enhances safety, allowing staff to easily identify pupils both on site and during off-site activities. By wearing the uniform, pupils represent the school with pride and demonstrate their commitment to the shared values and expectations of the school.

Together we flourish, in *Faith, Love, Opportunities, Unity, Resilience, Integrity, Stewardship and Hope.*

School specific items are available from Embelmatic and Initial Images. All items are available to purchase from high street stores. We understand that purchasing uniform can be an additional financial burden for some families. If you require support, please contact the school office to discuss financial assistance options. We are committed to ensuring that all students have access to uniform without financial hardship.

We ask parents and carers to support all decisions by school staff regarding whether or not clothing is appropriate or inappropriate for school.

Guidance

The school has used the DfE guidance on school uniform in the setting of this policy.

'School uniform plays a valuable role in contributing to the ethos of a school and setting an appropriate tone. The Department of Education strongly encourages schools to have a uniform as it can instil pride; support positive behaviour and discipline; encourage identity with, and support for, school ethos; ensure pupils of all races and backgrounds feel welcome; protect children from social pressures to dress in a particular way; and nurture cohesion and promote good relations between different groups of pupils. We also encourage schools to have a very clear position about appearance such as hair colour, style and length and the wearing of jewellery and makeup.'

- Hat / gloves / cap
- Sun cream
- Wellingtons

Accessories, Hair and Make Up

- For health and safety reasons we do not allow children to wear jewellery at all.

- Make up and **nail varnish** must not be worn to school. False nails must not be worn.
- Extreme hairstyles are not appropriate for school. The use of styling products should be kept to a minimum and children should not have decorative patterns or 'tram lines' cut into their hair or have their hair coloured or dyed.
- For health and safety reasons and to ensure it does not distract from learning, long hair should be tied back.

Hats, Headscarves or Headwear

Pupils are not allowed to wear hats, headscarves, or any other head covering inside the school building unless it is due to religious or cultural reasons

Non-Compliance with Uniform Policy

Parents and carers of pupils that do not wear their uniform correctly will be contacted and asked to bring in the missing uniform. If this is not possible then pupils will be provided with the uniform, they are missing for that day. The parent or carer will then be asked to discuss the issue at the end of the day. There may be good reasons why a child is not wearing school uniform. In this case, parents and carers should share the reasons with a member of SLT either in person or by letter.

The school will always be considerate and discrete in trying to establish why a pupil is not wearing the correct uniform. Pupils will not be made to feel uncomfortable, nor discriminated against, because their parents are unable to provide them with the required items of school uniform. We encourage discussion with the school at the earliest opportunity if there are any difficulties.

There will be occasions when the school decides that school uniform is not appropriate e.g. when taking part in a physical activity day or wearing different clothes as a part of a fund-raising event. Parents and carers will be notified in advance of what is the revised dress code on these days.

Pupils who wear make-up/nail varnish or jewellery will be required to remove these. Items of jewellery will be confiscated by the teacher to be collected by the parent. Staff will not remove earrings for pupils – parents will be telephoned to come to school and remove earrings before children can take part in continuous provision in EYFS, play times and any active lessons.

Lost Property

Naming Clothing and Property is VERY IMPORTANT – Please ensure all clothing and property is clearly marked so that lost articles may be easily traced and returned. The school cannot accept responsibility for loss or damage of pupils' property and valuables.

All mislaid items are sent to the school office. Please ask the school office if you wish to look through the lost property box. We endeavour to return all named property.

Racial Equality & Equal Opportunities

All children have equal access to wearing school uniform regardless of their culture, race, religion, gender, disability or ability. We ensure that the set uniform respects other policies and allows for individual sets of circumstances of all groups and individuals.

St. Mary's Primary school is committed to creating a positive climate that will enable everyone to work free from racial intimidation and harassment and to achieve their full potential.

The Role of the Governing Body

The governing body supports the Leadership Team in implementing the school uniform policy. It considers all representations from parents regarding the uniform policy and liaises with the headteacher to ensure that the policy is implemented fairly and with sensitivity. It is the governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities and poverty proofing. Governors ensure that the school uniform policy enables children to dress sensibly, in clothing that is hard wearing, safe and practical.

The governing body monitors and reviews the school uniform policy through its committee work by:

- seeking the views of parents, to ensure that they agree with and support the policy
- considering, with the headteacher, any requests from parents for individual children to have special dispensation with regard to school uniform
