With Christ we live, we love, we learn and we grow

12.05.202

Dear Parents & Carers,

First of all, we must say well done to all the Year 6 class this week on completion of their SATs tests. Their behaviour and attitude to the tests has been exemplary, they have been focused, calm and even enthusiastic – setting a wonderful example to the younger years. We hope they have a well-earned rest this weekend and that they are looking forward to attending their residential trip next week.

Reminders

Please do not use the school drive for parking on when dropping off or collecting your children from any of the before or after school clubs.

Can we also remind you that you should not walk up or down the path on the school driveway before or after school with your children – please use the ginnel path that runs parallel to the drive.

With the warmer weather now upon us, we would be grateful if you could please ensure that your child's uniform is labelled with their name - especially jumpers and cardigans.
