1. Introduction and aims

At St Mary's Catholic Primary School & Nursery, we recognise that mobile phones and other smart technology with similar functionality to mobile phones (for example, the ability to send and/or receive notifications or messages via mobile phone networks or the ability to record audio and/or video), are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of the Department for Education's non-statutory [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy is [Keeping Children Safe in Education](#).

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for consistently enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The headteacher is responsible for monitoring the policy every year, reviewing it, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

3.2 Governors

Governors are involved in monitoring and reviewing this policy in the autumn term each year.

4. Use of mobile phones by staff

The DfE's non-statutory mobile phone guidance says that staff should not use their own mobile phone for personal reasons in front of pupils throughout the school day.

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone, while children are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it is appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 01257 262811 as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard).

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

Staff may not use their mobile phones on the school's Wi-Fi network.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but are not limited to:

- Use of multi-factor authentication
- Emergency evacuations or lockdowns
- Supervising off-site trips

- Supervising extra-curricular activities off-site e.g. sporting events.
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

4.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes e.g. out of school care provision (After-School and Breakfast Clubs) and residential visits

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action. See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

The DfE's non-statutory mobile phone guidance says that pupils should not use mobile phones throughout the school day.

Pupils must not bring mobile phones into school.

The only exception to this is Y6 pupils in the summer term. See Travelling to and from School alone policy.

Some parents may wish their child to have a mobile phone with them if they are walking home alone. In these circumstances, parents must indicate this is the case on the request form. Phones need to be handed in to the class teacher at the start of the school day and collected at the end of the school day. School does not take responsibility for phones that go missing or get damaged as a result.

5.1 Use of smartwatches by pupils

The DfE's non-statutory mobile phone guidance includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in their policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smart watches have wellness and health-related features.

Pupils must not wear smartwatches in school for the same reason as not bringing mobile phones into school. This is because:

- Pupils may be able to use a smartwatch to communicate via text, even if their phone is in their bag or pocket
- Smartwatches are often smaller than mobile phones and at a distance look similar to regular watches, so might be easier to conceal
- Smartwatches can be more fragile than mobile phones, so any confiscation / storage procedures may need to be modified to safely accommodate them

5.2 Exceptions for special circumstances

Some pupils may be allowed to bring a mobile phone or smart device into school in special circumstances. For instance:

- Pupils with diabetes who use their phones to monitor their blood sugar

The school may permit pupils to use a mobile phone in school, due to exceptional circumstances. This will be considered on a case-by-case basis. To request such permission, pupils or parents/carers should contact the Headteacher to discuss.

Any pupils who are given permission must then adhere to the school's policy for mobile phone use (see appendix 1).

5.3 Sanctions

These are the sanctions school will use if a pupil is in breach of this policy.

Mobile phones be confiscated. (Schools are permitted to confiscate phones from pupils under sections 91 and 94 of the Education and Inspections Act 2006)

If they are confiscated, a parent or carer must collect them, at a time agreed with the Headteacher. *(Headteachers can confiscate mobile phones and similar devices for the length of time they deem proportionate, according to the DfE's guidance on mobile phones in schools)*

Staff have the power to search pupils' phones in specific circumstances, as set out in the DfE's guidance on searching, screening and confiscation (see school behavior policy).

In each case, the sanction given must be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs, disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in Part 1 of Keeping Children Safe in Education

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent

- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil

7. Loss, theft or damage

Y6 pupils bringing mobile phones to school in the summer term must ensure that the phones are appropriately labelled and handed to the class teacher.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions.

Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

Confiscated phones will be stored in the school office in a locked cabinet.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to ensuring that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority and any other relevant organisations

If there are any concerns regarding this policy, these should be brought to the attention of headteacher in a timely manner.

9. Appendix 1: [Code of conduct/acceptable use agreement] for pupils allowed to bring their phones to school due to exceptional circumstances

[Code of conduct / acceptable use agreement]

10. Rules on bullying, harassment and intimidation apply to how you use your mobile phone even when you aren't in school.
11. Don't use vulgar, obscene or derogatory language while on the phone or when using social media. This language is not permitted under the school's behaviour policy.
12. Don't use your phone to view or share harmful content.
13. You must comply with a request by a member of staff to switch off, or hand over, a phone. Refusal to comply is a breach of the school's behaviour policy and will be dealt with accordingly.
