

Climbing Mountains

The world is big and scary,
A place of fear and threat,
A scene of hurt and struggle,
Of sadness and regret.
But anything is possible,
The right things we can do.
We can overcome our problems
And make our dreams come true.

No matter what you're doing,
No matter who you are,
No matter who you're friends with,
Just know that you're a star.

So make the world the best you can,
Stand up and seize the day;
Be kind and live in unity
And show the world the way.

Climbing mountains,
Climbing mountains,
Climbing mountains, you and I.
We're climbing mountains,
Climbing mountains,
Rising up and rising high.
Climbing mountains,
Climbing mountains,
Standing tall and singing loud.
We're climbing mountains,
Climbing mountains,
Standing high above the crowd.

No more negativity,
No-one to pull you down;
With ev'ry possibility,
You can turn your world around.
No more wars or poverty,
Or gluttony or greed;
We can build a world of empathy,
Of gratitude and peace.

No matter what you're doing,
No matter who you are,
No matter who you're friends with,
Just know that you're a star.

So make the world the best you can,
Stand up and seize the day;
Be kind and live in unity
And show the world the way.

Climbing mountains,
Climbing mountains,
Climbing mountains, you and I.
We're climbing mountains,
Climbing mountains,
Rising up and rising high.
Climbing mountains,
Climbing mountains,
Standing tall and singing loud.
We're climbing mountains,
Climbing mountains,
Standing high above the crowd.

It's easy to forget yourself,
When dreams become a haze.
Your life becomes a puzzle

And your path becomes a maze.
However hard that it may seem,
Dig deep and carry on,
For life is one big symphony
And you are but the song.

Climbing mountains,
Climbing mountains.

Climbing mountains,
Climbing mountains,
Climbing mountains, you and I.
We're climbing mountains,
Climbing mountains,
Rising up and rising high.
Climbing mountains,
Climbing mountains,
Standing tall and singing loud.
We're climbing mountains,
Climbing mountains,
Standing high above the crowd.

Climbing mountains,
Climbing mountains,
Climbing mountains,
Climbing mountains.
