

Year 4

Spring 2 homework

Weekly tasks

- Reading books
- Spellings

Spellings will go out every Friday for a test the following Friday. I will put these on SeeSaw but if you require a paper copy please ask.

- Times table practise (minimum 25 minutes per week)

Towards the end of the year, every Year 4 child will be participating in the multiplication tables check to determine whether they can fluently recall their times tables up to 12. To help your child prepare for this we will be continuing to build on their current times tables knowledge in class. At home you can help by encouraging your child to learn their times tables through games and using Times Tables Rock Stars. I will be setting weekly battles on this and the winners will receive a certificate and Dojo points. Please use the QR codes below for some great websites to use.
