

PARENTAL QUESTIONNAIRE RESULTS – NOVEMBER 2019

Data result below are based on 170 responses from a possible 241 = 70.5%

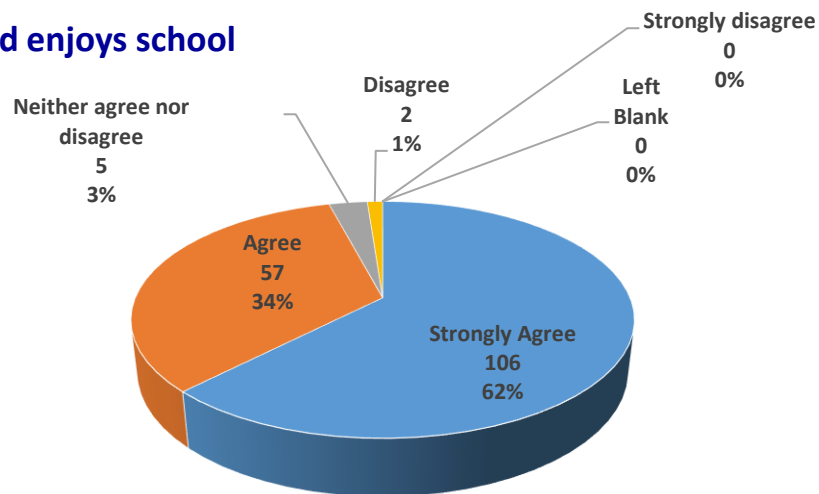

Dear parents,

Thank you for the fantastic response to our survey for November 2019. I am fairly certain that a return of 170 responses represents the largest proportion of responses we have ever had. The findings will help us identify areas that we can improve in what we do for the children and families of the school. Please see the results of the survey below and a sample of the written responses.

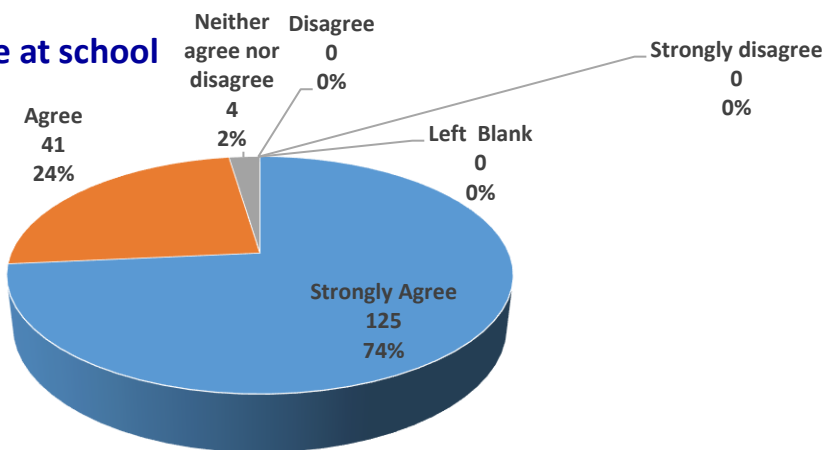

Kind regards,

Patrick Smyth

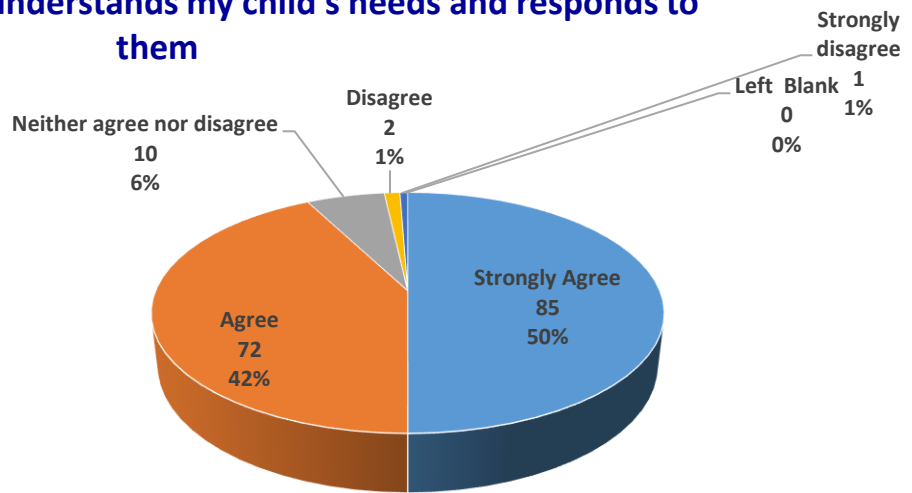

Question 1 - My child enjoys school

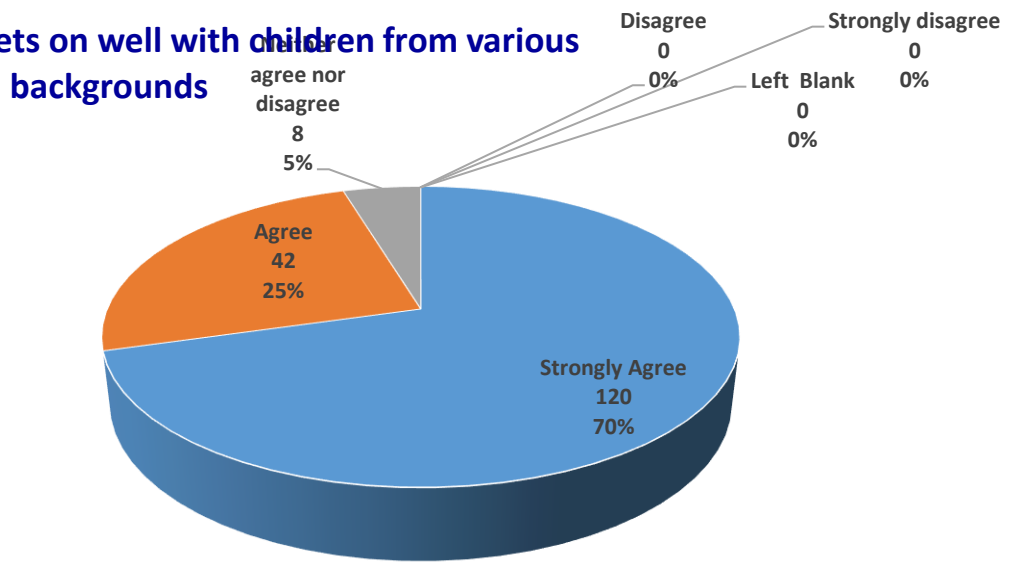

Question 2 - My child feels safe at school

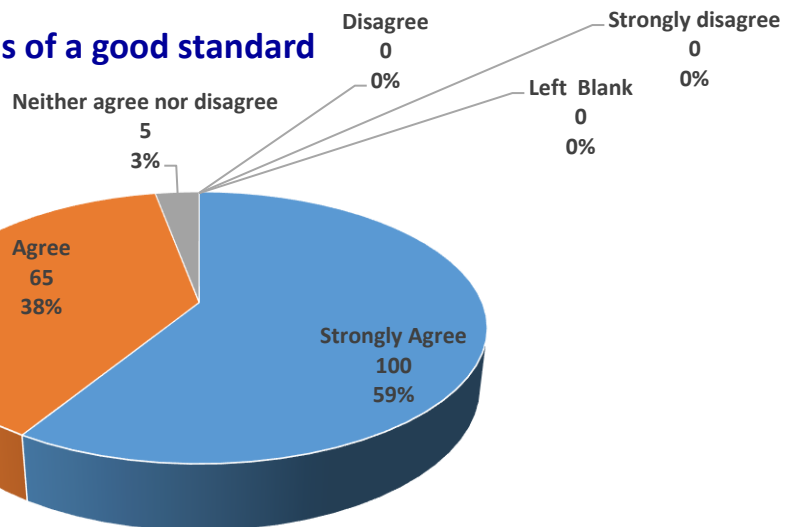

Question 3 - The school understands my child's needs and responds to them

Please find below a sample of parental comments received:

Very happy with the teaching and learning undertaken and the environment within which this takes place. I completed this questionnaire with my son to ensure my responses reflect directly his own personal experience at the school.

A wonderful school that isn't just focused on academic progress - I've no criticisms at all

*Amazing school; polite, friendly and very, very welcoming! So pleased with my choice of school for *****, by far the best school in the area. Thank you for taking such great care of my daughter.*

The school is excellent in my opinion. The staff are dedicated and the children thrive. I have ticked 'neither' for bullying as we have never had any experience of this but I am certain the school would deal with this effectively.

I am so happy with how my child is progressing in school, the teachers really understand the children and parents.

In an ideal world more of the arts including music and drama

I would like more homework to be set

PARENTAL QUESTIONNAIRE RESULTS – NOVEMBER 2019

I personally don't think that the children should have homework at such a young age. I can understand spelling and reading but if you're a working parent, there is very little time to do anything on an evening as the priority is making sure they get enough sleep. At the weekends, time is precious and I don't want it to be spent us having to worry about when we're going to slot homework in, on top of the spelling and reading we need to do with them... Otherwise, we're really happy with the school thank you and appreciate all you do.

I disagree with treat Fridays. School should encourage healthy eating totally and I feel pressured to send my child in with an unhealthy snack once a week. I believe healthy eating is taught well through curriculum but conflicts with treat Friday.
