Saturday 13th February, 1pm - 2.30pm

Do you fancy giving 'grow your own' a go with your family but not too sure how to get started? Our FREE virtual session is perfect for those with primary school-aged children. This session will include seed planting and sowing, as well as arts and crafts activities using natural materials you can find in your garden or while out on a walk.

A free resource pack is provided before the event.
