

Year 3 HWK

Challenges

Spring 1st Half-Term

"Rock and Roll"

Cave Art

Make up your own story, it can be about anything you like but tell it through cave art pictures.

Stone Age Recipe

Stone Age people could not pop to the shops for food. Everything they ate had to be caught or collected. Write your own recipe for a Stone Age dinner using the sort of ingredients that would be available to them.

Fact File Fun

Create a fact file/information booklet about rocks, fossils and soils. You could include any of the following: Where are rocks found and formed? What do fossils tell us about the past? What soils are made up of and how soils can be different?

Cave Homes

During the Stone Age, people lived in caves. If you had to live in a cave what would you like it to look like and what would be in it? You could draw it, write about it or maybe you could build your own 3D cave to bring in!

You could make a model of it, draw it or write about it.

Make a model volcano. You can choose to collage it, colour it, paint it or design it on the computer! Please label some key features.

A journey through 2025

Design a chart or a pathway of a calendar year, marking in your own points and seasons with words or pictures.

Dictionary Corner

Write a definition of as many different words linked to the Stone Age as you can.

REMEMBER:

You could practice some Learn Its questions/corrections each weekend in your HWK book to practice ready for the following week. You should try to read your reading book as well. They may be spelling/phonics words to learn? There are also questions to try on 'My Maths' and Times Tables Rockstars (use your username and password to log-in). Finally, why not log-in to Class Dojo and send a 'Story' to the class page? We'd love to hear what you have been up to!
