

Year 3 HWK Challenges Spring 2nd Half-Term "Roman Britain"

Art/DT: Model Magic!

Romans were exceptionally good at building/designing things. Research a Roman-made building/object and recreate it OR think like a Roman and create your own wonderful model!

English: Caught Out Reading!

Ask someone to take a photo of you reading one of your favourite books in a really cool place. Send it to me on SeeSaw and then write a book review about your book and recommend it to a friend.

Geography: The Factfile!

What do you know about the Lake District? Have you ever been? It has hills and mountains! Create a factfile to show what you know about this area. Use maps, pictures, information etc to show your knowledge.

Want to earn extra housepoints?

Love doing HWK challenges?

Why not try to complete some of the tasks from here to increase your understanding of our current topic and boost your weekly housepoint totals? (Tick and date the task when you have finished it).

Each task has housepoints to earn. Housepoints will be awarded based on the effort you have put in.

Remember to think about the presentation of your work and enjoy yourself.

You can complete as many of the tasks as you like in this half term.

Happy homeworking! *Mr Hodge.*

Maths: Romans Style!

Write some maths sums or word problems to solve...using Roman Numerals! Ask a friend or family member to have a go at your maths activity - do you need to teach them the symbols first!?

What did the Romans do for us?

History: Let's get quizzical!

Find out at least three fascinating facts about Roman Britain and use these facts to write at least three multiple choice quiz questions! You could send these on Class Dojo and test your classmates' knowledge of Roman Britain. Remember to use question marks!

Come and See: Gospel Stories

Choose your favourite Gospel story and make a cartoon strip of the main events. Can you annotate your pictures to tell the story?

MyMaths.co.uk

REMEMBER:

You **NEED** to do your reading book as often as possible (even weekend). You may have spelling words to learn? Try to look at your Learn Its and choose one or two sums to learn off by heart ready for next week's challenge. There are also questions to try on 'My Maths' and Times Tables Rockstars (use your username and password to log-in). We'd love to hear what you have been up to! Mr Hodge, Mrs McGeown, Miss Roby & Mrs Southern.
