Key Facts

- The characteristics of healthy family life include: commitment to each other, including in times of difficulty, protection and care for children and other family members, spending time together and sharing each other's lives

I will learn the following new words/phrases:

Enterprise	<i>A project that requires boldness or energy. A company or organisation.</i>
Priority	<i>The fact or condition of being regarded or treated as more important than others.</i>
Fundraising	<i>To generate financial support for a charity, cause, or other enterprise.</i>

By the end of these topics, I should:

- understand and explain why people might want to save money
- identify ways in which you can help out at home
- budget for items you would like to buy
- recognise ways to make money and the early stages of enterprise

Ask me a question!

- Why do we need money?
- How can we save money?
- How can we receive money?
