

Settlements and our Local Area of Chorley

Key knowledge

- An urban area has lots of people living there. Towns, cities and suburbs are all urban areas.
- A rural area has fewer people living there. Rural areas include the countryside, villages and hamlets.
- An Ordnance Survey map is used to help people find their way around an area.
- *Enter key knowledge about your school grounds and local area here*

What will we be learning?

1. What sort of area do I live in?
 2. What are the main features of our school grounds?
 3. What can I find out about my local area?
 4. How can I describe my local area?
 5. How can a map show what a place is like?
 6. How do we make a map of the local area?
 7. How is our local area changing?
- Differences between urban and rural areas.
 - Features of our school grounds.
 - Features of our local area.
 - How to identify Ordnance Survey map symbols.
 - How to create a map of our local area.
 - Describe changes in the local environment.

Glossary

map symbol: a small picture on a map that shows you where different things are (such as a bus station or a school)

route: how you get from one place to another (for example, "you walk up the hill and turn towards the school when you get to the top")

settlement: a place where people live
