MFL Medium Term Curriculum Planning

Autumn 2023

Year 1 Year 2	French alphabet. Greetings and French classroom commands and responding to Comment t'appelles tu? Ça va?
Year 3 Year 4	French focus – numbers 1-12. Saying these in sequence and using them to give our age. Using them out of sequence to play traditional French games. Continue using adjectives of colour and size to describe common shapes.
Year 5 Year 6	Focus on German alphabet to spell their name. Look at German script and Christmas traditions. Numbers 1-12.

Spring 2024

Year 1 Year 2	Recap Greetings and the alphabet song. This term our focus will be numbers 1-10. Using songs to learn how to say the numbers in sequence. Play games where the children have to listen and identify the number they are hearing (out of sequence)
Year 3 Year 4	Recap greetings, adjectives of colour, and numbers 1-10. Responding to common classroom instructions through games. Learning vocabulary for classroom items. Understanding that every French noun is either 'masculine' or 'feminine.'
Year 5 Year 6	We will recap greetings, feelings, gender of nouns, days of the week and months. Our focus will be numbers 1-31. Using these to understand and write days in German. Using numbers with money.
