Inspiring Futures

Play fun, exciting music together...

The opportunity to rehearse and perform with others is vital to the motivation of musicians. As well as the challenge of making music with others, it also helps you to; improve your music reading, meet new friends, learn how to perform, increase your confidence and gives the opportunity to play fun and exciting music in regional and national performance venues.

Whatever your interests, age, or level of ability, there is a Music Centre activity to suit you. Please see page 3 for a snapshot of what is on offer across the county.

Membership

Staffordshire Music Centres are supported by the grant we receive from the Department for Education and we want to remove any barriers for young musicians to join our groups.

Our Music Centre membership is **FREE** of charge. Please come and try one of our groups before committing to regular rehearsals.

Contact your local Music Centre for more information or email the Music Service directly at musicservice@entrust-ed.co.uk
