Dear parents,

As winter approaches, I just wanted to remind you of how we would advise you of school closures due to adverse weather conditions - snow.

All parents will receive an email as soon as a decision has been made to close the school, asking you to collect your child/ren. If it has snowed during the night, a decision will be made as soon as possible, we aim to inform you before 8:15am. For both eventualities, a confirmatory note will be posted on our Facebook page.

As St Mary's is on a main bus route, we are also on a gritting route. The council do their very best to keep the road open.

It is very rare that school has to close due to bad weather, but it is better to be prepared and know the procedure well in advance. Fingers crossed that it only snows during the weekends!

Best wishes,

Pauline Nightingale
Headteacher

At St Mary's we believe that it is possible for ordinary people to choose to be extraordinary!
