Dear parents and carers,

East Lancs Child and Adolescent Service (ELCAS) are excited to launch a new initiative designed to gain valuable insights from our young people, parents, carers and staff while fostering meaningful discussions on important themes. Each quarter, they will focus on a specific theme and pose a new 'Question of the Month'. The answers they receive will play a crucial role in shaping a training session for school staff and/or parents.

For their first quarter, the theme is Self-harm, with the training workshop planned for around March 2025 time. To make this initiative impactful, they need your support in completing a questionnaire - see the link below. They kindly ask for responses to be returned to us by 19th December.

How it works:

1. A new question will be sent each month.
2. We ask for honest and thoughtful responses to be collected and sent back by the specified deadline.
3. The responses will feed directly into the training workshop, ensuring the session is tailored and meaningful to the needs of our community.

They appreciate your help in making this initiative a success.

Questionnaire is at <https://forms.office.com/e/tNHmQEMmtR>

Kind regards,
