Judged Good with Outstanding Features by Ofsted June 2025

From the start of the early years, staff are adept at teaching important skills such as following routines, being aware of others and taking turns. The relentless focus on building positive learning habits means that pupils are highly motivated to come to school.

Ofsted 2025

Pupils, parents & staff describe the school affectionately as a 'big family.'

The school has mapped out the important information that pupils will learn, paying close attention to the fact that all pupils learn in mixed aged classes. Ofsted 2025
