A very warm welcome to **St. Mary's Catholic Primary School**

We are incredibly proud of the caring and nurturing environment at St. Mary's, where every child is valued and respected for who they are. The family ethos of our small school ensures our children develop a strong sense of belonging from the day they start their journey with us.

St. Mary's is a happy school with high hopes and ambitions for all our children. Our school has a tradition of high standards, and we welcome the opportunity to work with parents and carers to ensure every pupil makes treasured memories, achieves their full potential and has the best possible learning experience.

At St. Mary's our aim is to ensure that all our children are inspired to learn, laugh and love and we do this through making St. Mary's a place...

- Of welcome and belonging.
- Of laughter and celebration.
- Of hope.
- Of kindness.
- Of safety and support.
- Which enables its pupils to experience the joy of learning.
- Of truth, justice and equality.
- Where every child knows that God has made them unique and blessed them with talents.
- Which sets free the imagination for creativity and innovation to flourish.

All are welcome in our wonderful school. Please contact the school office so that we can arrange for you to come and look around.

Why choose our school?

St Mary's promises an enriching educational journey tailored to inspire and nurture your child's growth. We prioritise the holistic development of every student, fostering a love for learning and exploration from the very beginning. With our promotion of outdoor education, including our charming chicken coop and expansive gardening area, children can connect with nature and cultivate valuable life skills outside of the classroom.

Our delightful Early Years Foundation Stage (EYFS) room provides a warm and welcoming environment for young learners to thrive. Recognised as one of the top 10 performing schools in County Durham by the Northern Echo, we boast a team of experienced staff with a wealth of knowledge, ensuring every child receives the support they need to flourish.

From Nursery weekly adventures, to our excellent links and relationships with the local community, joining our school means starting a journey of endless possibilities and boundless opportunities for growth.

'St Mary's is a special place to be; a sense of belonging and family threads through all aspects of school life.'

Our curriculum

The curriculum is all the planned activities that the school organises to promote learning, personal growth and development. Our curriculum includes the formal requirements of the National Curriculum, but also the range of additional opportunities that we organise to enrich the experiences of our children. This includes an ever-growing range of 'Enjoyment and Enrichment' opportunities available to our children across all year groups.

Our curriculum also includes the social aspects imperative for lifelong learning. St. Mary's have been awarded with 'The Rights Respecting School Award' and 'Investing in Children Award', these awards demonstrate the importance of children having high expectations of behaviour and tolerance towards each other at St. Mary's.

Here at St. Mary's, we are dedicated to unlocking and nurturing our pupils' boundless academic and social potential, as they embark on their exciting school journey with us.

Special educational needs and disabilities

St Mary's is a happy school, where we recognise that all pupils are entitled to a quality of provision that will enable them to achieve their full potential. We believe in positive intervention, removing barriers to learning, raising expectations and levels of achievement and working in partnership with other agencies in order to provide a positive educational experience for all our pupils including those with a special educational need or disability (SEND).

We deliver a creative curriculum enabling an environment that meets the needs of every pupil within our school. We ensure that every pupil with SEND makes the best progress possible. We foster and promote effective working partnerships with parents, carers, pupils, and outside agencies. We consider the 'whole' child and strive to ensure that all our SEND pupils are prepared for adulthood.

Apply for a place at St. Mary's

Starting primary school is a very important time for you and your child, and at St. Mary's we aim to make this a happy experience for everyone. Children can start school in our reception class in the September of the academic year in which they will be five years old.

To gain a place at St. Mary's, you will need to apply through Durham County Council's website. Please follow the link for more information or scan the QR code.

Alternatively, you can contact the school office.

<https://stmarysbc.bhcet.org.uk/information/admissions-policy>

If your child is not already attending our school nursery, they will be invited to spend some informal sessions with their new teacher and other children from the class in the summer term in order to familiarise themselves with the school environment. An information evening for our new reception class parents is also held in the summer term.

If your child is looking to join our school mid-year, please apply through Durham County Council's website (<https://www.durham.gov.uk/article/2197/Apply-to-change-school-during-the-school-year>). We highly recommend contacting the school in the first instance for a visit.

Nursery Admissions

At St. Mary's, we offer a wonderful nursery setting for three year olds. The nursery is open from 9am – 3pm (term time only) and can be a mix of both government funded hours and private payment. Please visit our website for more information.
