Garstang to Paris!

A big thankyou to everyone who took part in the Rise and Shine jog yesterday morning. As you all know it is now the end of our sponsored Garstang to Paris event and so far we have run a collective 1518.8 miles- WOW!!!! We could have actually travelled to Paris and back, and I think once we have collected in all the record cards will be able to return again for a 2nd time. Thankyou all for this support and speaking to some parents it has made our children more active as well. Please can all sponsor money be collected over the next week and returned to school as soon as possible. Again, thankyou all for your support!

All children have been awarded with a certificate for taking part in the sponsored event and will have brought this home.

Sporting Success!

A big well done to our Year 6 cricket and rounders team. This week they have had tournaments after school and have won every match played!!!! The cricket team are now off to play at the Wyre finals next week. We wish them all good luck.

The Parable of the Mustard Seed

In this week's gospel, Jesus is trying to show what God's Kingdom is like. It's not easy to describe, so instead he tells stories so that we can try to imagine it.

Both the stories he tells are about seeds, which grow and change from small beginnings.

The mustard seed is a tiny little seed. But it grows into a very big bush with big branches. Big enough for birds to be able to come and sit in to get out of the sun

The mustard seed also shows us how size doesn't matter – even a tiny seed can produce a great big tree. The same is true for us – even the smallest person can do great things. And even the smallest action can have big results.

God of all, help us to make a change so all people can live free from poverty and so we may glimpse your kingdom here on earth. We ask this through Christ our Lord, Amen.

Upcoming Events

June

- 24th June- Last week of clubs
- 25th & 26th June- GCA transition day
Ripley transition day
