Abracadabra! Magic Fest

This week, Woodpecker class finally took to the stage for their magic performance and they wowed the audience! This year they have been working on different magic tricks taught to them by a professional magician and have planned, prepared and performed their tricks in front of a live audience. Our school was one of the five lucky schools chosen from Lancashire to take part in this very special project. It has been run by the heritage team and not only builds confidence in our children, but also provides them a platform to write and use their maths skills. A recording of their performance will be sent out soon.

Sporting Success!

Over the past two weeks we have continued our sporting success within school. Our cricket team played extremely well representing Garstang at the Wyre & Fylde cricket tournament and won 2 of their games. Our Under 11's football team played their hearts out and got through to the semi-finals. This week it was our rugby teams turn to represent our school and they played extremely well together and got through to the semi-finals and last night our athletics team won the competition at GCA. What an amazing two weeks of sport and a fantastic way to end the year. Well done to all those involved and to Jamie and the staff for coaching and providing support.

St Peter & St Paul

Jesus asks the disciples who the people are saying he is. People think he is John the Baptist, or Elijah or one of the other prophets who have come before.

Simon says that Jesus is Christ, the Son of God. He shows great faith. He believes in Jesus and knows that he is the Saviour of the world.

Jesus is very happy with Simon Peter and the faith that he has shown. He gives him a new name – Peter. A name which means rock. And Jesus says that he will build his Church on this rock.

We are just ordinary people too. But we can try to follow Jesus, to believe in him, and show our faith in the way that we treat others and in all that we do.

Last Sunday Year 3 made their First Holy Communion, which showed to all how they are continuing their faith journey. We were all very proud of them.
