19th July 2024

What a year!

I cannot believe we have reached that time of the year again- where has a whole year gone!! I like to look back over the year just to see what we have achieved as a school and quite honestly it would not fit on one page, therefore this is a snap shot.

Throughout the year we have served the community in many different ways- joining Lancaster Singers adult choir for their Carol concert, singing carols at three different events, taking part in the walking floats and Scarecrow festivals runners up. We have also raised a huge amount of money for local charities, CAFOD & PTA.

Our sports teams have also been extremely successful and our trophy cabinet has burst at the seams and we have been awarded with the Wyre Sports Highly Commended School of the year.

The school building this year has had a good make over, starting with Wren class's full refurbishment, part of a new roof, new garden area, wild wood path and painted playground beds, new IT area and screens now in all classrooms, painted corridor throughout and newly painted entrance area. Thank you to all who have been involved in this work, it definitely helps the school environment look brighter and a place where everyone can feel proud.

All our children have also been able to perform on stage (EYS & KS1- nativity, Owl-Easter reflections, Woodpecker-magic fest & Heron- Aladin) and have had the opportunity to take part in sporting events within school (curling, archery, clog dancing, yoga, wheelchair basketball & Olympic games).

As well as all the activities above, we have also worked very hard with our academic studies. Every day the children have tried their best, listened to their teachers and have settled down to learn. We have had great results at the end of the year with all end of key stages reaching national and some above national expectations. We are so proud of every single child at our school, and it is wonderful seeing how they have grown this year.

Of course, this would not have been able to happen without the support from you, as parents and all the staff from our school, which I say a HUGE thank you. I know every day staff come into school with a smile on their face to give your children a chance to be the best they can be. I would like to take this opportunity to thank all the St Mary & St Michael's staff team for working so hard this year.

From all the team, we wish you all a wonderful summer holiday and see you all in September. For those Year 6 children good luck at high school.

Jesus sends out his disciples

To fulfil our potential and become everything God calls us to be. Aspire not to have more, but to be more.

That's what my time in this school is all about. It's an opportunity for me to become more the person I am called by God to be. God has a special mission that only I can fulfil.

In friendships and lessons, break times and assemblies, masses and school clubs, I can discover how I can be more. My time here will start to shape the person I become for the rest of my life.

Let Romero's words inspire us today, as we 'aspire not to have more, but to be more' in this school.

Jesus challenged the rich young man to be more, by leaving his wealth and following Jesus. But the young man chose to have more, rather than to be more. God may be challenging you now to be generous with your wealth – your possessions or your pocket money, your time or your friendship. The way that we answer God's challenges in little things every day is what forms us into the people we are called to be.
