VE Day celebrations

Yesterday was the 80th anniversary of VE day. Our school council represented our school with other schools from Garstang and the veterans and various community groups at Kepple Lane Park. They had a short ceremony to remember those special people who fought for their county.

Laudato Si Group

Our Laudato Si group have been working very hard starting a new project around school. We are now recycling as much as possible, from crisp packets to plastic bottles, to apple core and food waste. This has not been an easy job to do as it takes a lot of organising. We are asking that packed lunches do not bring any food waste home with them so it keeps kitchen waste separate, and we are not having to separate it from wrappers etc. Well done group!

Netball

Well done to our netball team last night who played in the Whit. Cup tournament against 5 other schools. They continued to hold their heads up high the whole tournament and played fantastically as a team. They showed such resilience and determination. Well done team!

Bread for the World

This Sunday the Gospel speaks to us about how the disciples met with Jesus whilst they were fishing.

After Jesus had died and risen again, the disciples were out fishing in their boat, when Jesus appeared on the beach. They hadn't managed to catch anything, so Jesus told them to throw out their net again. This time they managed to catch lots and lots of fish.

All around the world, people come together to eat and share food with one another. So this week as we sit together and eat with others, let's think about all the other people around the world who are doing the same thing.

Today we also think about our new Pope Leo XIV;

We will keep Pope Leo XIV in our prayers for his work with the Church and in the world encouraging leaders to come together for the common good, so that people everywhere – including the most vulnerable and those on the margins of society – are able to flourish.

Upcoming Events

May

- 12th-15th May- SATs week Y6
