Stewardship

This week Owl class have been learning about the world inside and out in RE and understanding how we are 'Stewards of God's creation'. They created leaflets for a display on how we can look after God's planet and also how we can help each other. Some of the amazing work is shown below- well done Owl class.

Lunches- school meals

Due to the continued rise in food production and staffing costs, we will be increasing the price of school lunches after the October half term. This decision has not been taken lightly, and we understand it represents a noticeable change. However, it is important to note that we have not adjusted our lunch prices for over five years.

Starting after the break, the cost of a school meal will be £2.90. This reflects the need to ensure the sustainability of our catering service, as recent reviews have shown we are currently operating at a loss.

We have consulted with other schools locally and found that our new pricing remains competitive. We are proud to continue offering a freshly prepared, two-course hot meal each day—something that still represents excellent value for money.

Thank you for your understanding and continued support.

Year 3 & 4 Football Team

On Thursday our Year 3 & 4 football team wowed us on their amazing performance. They listened well, played great as a team (for the 1st time) and smiled throughout the 5 games. Some of them playing competitive football for the 1st time! They won 3 and drew 3 and they finished joint 1st overall.

Thankyou for Mr Davies who bailed me out very last minute for coaching the team. Well done and a big team effort.

Arbor updates

Please can parents allow notifications from your Arbor app. This way we do not need to send messages on dojo to remind parents to check Arbor for trips etc.

We are now adding all GCA trips on Arbor so these will need a consent from yourself before your child is allowed to take part in the trip. Thankyou

Having a little Faith!

As Jesus was walking to Jerusalem, He met ten people who were very sick with a skin disease called leprosy. They stood far away and shouted, "Jesus, Master! Have pity on us!" Jesus told them to go and show themselves to the priests. As they walked away, they were healed! But only one of the ten came back to say thank you to Jesus. He praised God loudly and knelt at Jesus' feet.

Always remember to say thank you—especially to God. Gratitude shows love and respect—Jesus noticed that only one person came back to thank Him. Faith makes us well—the thankful man believed in Jesus and was blessed even more.

Even though all ten men were healed, only one returned to say thank you. Jesus teaches us that being thankful is not just polite—it's a way to show our love and trust in God.

Thank You for loving me and taking care of me.

Help me to always remember to say thank You—

to You, to my family, and to my friends.

Make my heart full of faith and kindness,

just like the man who came back to thank You.

Amen.

Upcoming Events

October

- 17th October- Wren Class Mass
- 23rd October- School closes for half term at 3.25pm
- 24th October- INSET for staff

November

- 3rd November- INSET for staff
- 4th November -School re-opens
