After School Activities

We have now started our after school activities which are mostly indoors, this has definitely been a good decision with the current wet and windy weather. The gardening club have already started to make a difference with our grounds, from tidying our flower pots at the front of school to picking the rosy red apples on the field. There are also a few pumpkins peeping through the leaves but they have quite a few weeks to grow before they reach ripeness. The crafty art club have already been enjoying taking part in a range of activities and with Christmas coming up I am sure they will have a lot planned. Choir also started this week and it was lovely to see a range of ages and mix of girls and boys. Even though Christmas feels a long way off we have started to learn carol and songs for the concert with Lancaster Singers.

Parent consultations

This week we saw many parents coming to meet their child's teacher. Some of you for the first time and others have been joining us for what feels like years. It is always lovely to see parents in school especially when you walk out with a big smile on your faces. We are so proud of each and every child as they have all settled into their learning well and come into school happy and smiling. Thank you all for your constant support in school.

Arbor updates

Please can parents check their details on Arbor- mobile phones, address etc. Also please complete the consents for your child eg photograph, school visits and medical consents- thank you.

Having a little Faith!

In last Sunday's Gospel, Jesus teaches his friends about faith. The disciples ask Him, "Lord, please help us have more faith!" Jesus replies, "Even if your faith is as tiny as a mustard seed, you could do amazing things!"

He then tells a story to help them understand. He says that when we do good things—like helping others or following God's ways—we shouldn't expect a reward or praise. Instead, we should remember that we are doing what is right because it's our duty as followers of Jesus.

💖 What We Can Learn:

Faith doesn't have to be big—even a little bit can make a big difference! Helping others and doing good is something we should do with love, not just for praise.

God sees our hearts, and He loves when we try our best to live kindly and faithfully.

Thank You for loving us.
Help us to have faith, even if it's small like a mustard seed.
Teach us to be kind and helpful,
Not because we want praise,
But because it's the right thing to do.
We want to follow You every day.
Amen.

Upcoming Events

October

10th October- Owl Class Mass
16th October-Y3/4 football @ GCA
17th October- Wren Class Mass
23rd October- School closes for half term at 3.25pm
