

## Year 2/3 Weekly Homework Tasks Autumn 1 2025

Spellings will be given out every Friday and children will be tested on these the following Friday. Children should also make sure they are reading at home daily. Reading diaries and reading books must be in school **every day**, as the children will read to an adult in school at least once a week.

As well as the following, the children should choose **3** of the homework challenges to be complete during this half term.

### Spelling:

Note: All Year 2 words are taken from the Year 2 word list

Words in green are taken from the Year 3/4 word list

Test on 3.10.25		Test on 10.10.25		Test on 17.10.25	

## **Maths:**

Children are encouraged to complete numbots activities at home. Children have their passwords in the back of the reading records. We are aiming for a minimum of 30minutes to 1hour of maths practice per week.

Numbots passwords will be written in the back of your child's reading record so they will always have access to it in school and at home.

## **Year 2/3 Autumn 1 Homework Challenges**

Please complete 3 of the following challenges this half term. You can upload files/photos/videos on to DOJO portfolio. Homework will be rewarded with DOJO points.

Write a story/diary entry to tell me about something you did over the summer holidays.	Set yourself some targets for things that you would like to achieve this year.	Choose a book and write a review of the book, describing things that you liked and disliked.
Reading challenge: How many books can you read this half term, read a range of books from different genres to find which books you like the most! Send pictures of you reading your favourite book!	As we are reading Traction Man, could you find your favourite toy and describe it? You could label it and write some sentences to describe it.	Can you log on to Numbots (Year 2) or TTRS (Year 3) and have a go at some of the activities? Can you aim to complete an hour a week of practice? I can see your progress on my account!

Thank you for your continued support and if you have any questions please do not hesitate to contact me.

Thank you.

Mr McGown
