

Build a Cosy Corner at Home

1. Find somewhere at home that feels comfortable and has a space where you can relax. Use pillows, cushions or blankets to make it cosy.
2. Create a 'vision board' to display in your corner with pictures of your favourite things. You could cut pictures from magazines (ask a grown-up for help if you need).
3. Have a device so that you can listen to music or audiobooks. You can listen to these whilst you colour or build something.
4. Read your favourite book or find a new one that takes you on a fun adventure to a faraway land.
5. Create an activity basket with all the things you need to be creative: Pens, pencils, glue, stickers, recyclable materials and art supplies.
6. Remember, sit here and relax. This is a place to enjoy.
