

Previously  
in UKS2,  
we  
learned:

Scratch:  
Developing  
games

UKS2  
Heron  
B

## Radio Station

Later in  
KS3, you  
will learn:

Computer  
Science

### Knowledge

By the end of this unit of study, pupils will be able to:

|       |  |                       |
|-------|--|-----------------------|
| One   | To use software to create my own sounds by recording, editing and playing. | <input type="radio"/> |
| Two   | To combine audio effects to create an original radio jingle.               | <input type="radio"/> |
| Three | To research and plan digital content for a radio podcast.                  | <input type="radio"/> |
| Four  | To use software to create and present digital content for a radio podcast. | <input type="radio"/> |
| Five  | To design and record a persuasive radio advert for a product or service.   | <input type="radio"/> |
| Six   | To present and evaluate audio content.                                     | <input type="radio"/> |

### Key Learning

Select, use and combine a variety of software on a range of digital devices to create content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information.

### Key Vocabulary

Record   edit   playback   track   input   output  
digital content   jingle   podcast   voiceover
