## **Maths:**

Children are encouraged to complete numbots activities at home. Children have their passwords in the back of the reading records. There are also a range of maths activities in the maths section of purple mash for children to complete. We are aiming for a minimum of 30minutes maths practice per week.

Numbots and purple mash passwords will be written in the back of your child's reading record so they will always have access to it in school and at home.
