

Remember
in Early
Years, we
learned:

Senses in
the
outdoors

Year 1

**Seasonal
Changes**

Later, in
Year 2, you
will learn:

Light and
effects of
the sun

Knowledge

By the end of this unit of study, pupils will be able to:

One	I can name the four seasons and identify when in the year they occur. I can describe what happens in Autumn	
Two	I can say what characterises a plant and name the parts of a plant	
Three	I know that a tree is a plant and describe how trees change in the seasons	
Four	I can name some common plants and identify some trees	
Five	I can answer questions Do big holly leaves have more prickles? Can you eat plants?	

Key Learning

In the UK, the day length is longest at mid-summer (about 16 hours) and gets shorter each day until mid-winter (about 8 hours) before getting longer again.

The weather also changes with the seasons. In the UK, it is usually colder and rainier in winter, and hotter and dryer in the summer. The change in weather causes many other changes.

Key Vocabulary

weather, sunny, rainy, raining, shower, windy, snowy, cloudy, hot, warm, cold, storm, thunder, lightning, hail, sleet, snow, icy, frost, puddles, rainbow, seasons, winter, summer, spring, autumn, Sun, sunrise, sunset, day length
