

Remember
in Year 2
we learned:

Humans
have
offspring
which grow
in to adults

Year 5

**Animals
including
humans**

Later, in
KS3, you
will learn:

The
structure of
the
reproductive
systems

Knowledge

By the end of this unit of study, pupils will be able to:

One

Describe the changes as
humans develop to old age

Key Learning

When babies are young, they grow rapidly. They are very dependent on their parents. As they develop, they learn many skills. At puberty, a child's body changes and develops primary and secondary sexual characteristics. This enables the adult to reproduce

Key Vocabulary

Puberty
