

What is the St Mary's PTA Lotto and why support it?

The St Mary's PTA Lotto provides an essential source of funding for the items below. It is a very quick and easy way to support St. Mary's in just a couple of clicks....and you could win a prize!

- Little Wandle Phonics Scheme (building blocks for reading and writing)
- Mrs Durling - our lollipop lady (providing a safe crossing for families on the busy Foxgrove Road)
- Classroom library replenishment (providing books in every classroom to encourage and support reading)

How do I join?

- Join via Parent Pay under item "PTA Lotto" for £25 per academic year.
- You can buy as many subscriptions as you like - just increase the quantity. Lotto numbers are allocated in order of receipt of subscriptions. Note: If buying on behalf of friends/family just add their name to the 'Notes' section. This way the PTA can notify you if e.g your friend won.
