**Timetable Week commencing 22/2/21**

Dear Parents,

I write to wish you a happy and restful February half term holiday. One, I think that you and your children have earned more than any other! I am once again immensely proud of the children and community here at St Mary's. 6 weeks of lockdown learning has been tackled with considerable effort on your part, positivity and a can do spirit that epitomises our little school.

As of today we have no more details as to when we will return to school. March 8th is muted in the media but no firm decision has been given to schools. I will of course keep you updated with developments. As such remote learning continues after half term. Please find attached our updated timetable and further guidance based on your recent feedback which has been very useful to us as a school.

Have a wonderful half term

Kind regards

Mr Wynn

**Week commencing 22nd February**

Please find below a slightly updated timetable for home learning. All links remain the same. When possible please login through your child's Google account for ease of access to the meetings. If you have not yet managed to do so please login to Google Classroom which is the best place to message your teacher from and to send in work. Any issues please telephone or email us and we will be more than happy to assist. Please also note the red sessions are compulsory and orange optional to give you greater flexibility. We have taken on board your recent feedback and tried to ensure that each class has support in place for those that need it. [We have also created additional sessions where we may contact you to invite your child to attend in order to help them with any areas staff feel they may need extra support in.](#)

For more information please follow the video link below.

[Explanation of changes](#)

Class 1 home learning	<a href="https://meet.google.com/rnb-ttjv-ebk">meet.google.com/rnb-ttjv-ebk</a>

### **Afterschool Online French Club**

French lesson on a **Thursday** with Madame Elliott, these lessons can be accessed through the following links

Times as follows:

Key Stage 1: 3:45pm-4:15pm (Reception are welcome to pop along and have a go)

[meet.google.com/mox-hmyr-nvs](https://meet.google.com/mox-hmyr-nvs)

Key Stage 2: 4:15pm-4:45pm (both classes will be together for this session)

[meet.google.com/tvi-opai-xqp](https://meet.google.com/tvi-opai-xqp)

## **Responses to queries/questions**

### **1. The school has responded promptly to any problems**

If you feel you need extra support please contact the school office and we will get in touch. Staff remain on their calls after each session but if you log on and they are not there please contact them through Google classroom or the school office. There are also additional slots during the day where you can arrange for extra support if needed.

### **2. I'm feeling confident about helping my child to learn at home.**

This is a very difficult time for parents, juggling work and home schooling is very challenging. Please utilise the staff here for support, They will happily help any children who need support. Key Stage 2 children in particular are encouraged to contact staff for support and we have found these sessions very beneficial for the children when set up. Key stage 2 children should be encouraged to ask their teachers for help as regularly as they need to. If in any doubt or simply if you are juggling to many things at home just contact the relevant teachers.

### **3. Learning off screen**

We have tried to address this with our change in afternoon sessions so that children can get out and about/off their screens. Staff will continue to try to offer work that can be done on the computers and on paper. If you feel your child is online too much then please do their work on paper and send us a copy.

### **4. Remote classes**

We have been proud of the high level of attendance to remote classes. Please remember the red sessions are compulsory and pivotal to the input for the day with the orange/afternoon sessions less so. Work should be around 4 hours a day for Key Stage 2 and 3 hours for lower down the school. Work is set based on this by staff but if you feel it is too much you have the right to be selective on what you ask your child to complete each day. Year 5 and 6 should be able to access and complete all learning with the support of their teachers but we do not want any children or parents to become overwhelmed. Again if you are concerned please contact your child's teacher. We feel the online sessions are useful in terms of social interaction and we would encourage regular attendance.
