

Dear Parents,

We hope you have had a wonderful summer break and a good first week back at school.

Despite things being a bit different to normal, we would like to welcome all new parents (and welcome back old ones!) to St Mary's and, as such, the PTA will be holding a socially distanced coffee morning on Friday 18th September at Colton Park from 8.45am onwards, after school drop off.

As we are a voluntary organisation, we are able to hold this event providing we adhere to strict Covid-19 regulations and so we would please ask you to familiarise yourselves with the following information prior to attending the coffee morning.

We would love to see you all for a cuppa and catch up so please bring your own flask with you, as well as a chair and/or blanket to sit on/keep warm. We will still be there should it rain, so please pack an umbrella just in case!

Please bring your own sanitiser and maintain a social distance of 2 metres from one another throughout.

There will be a one-way system into the park around the right-hand side of the village hall building to gain access to the field and the exit will be via the opposite side of the building.

Please ensure you sanitise prior to entering the field and please do not attend if you are or think you may be experiencing any Covid-19 symptoms.

If you are unable to attend or do not feel comfortable attending, yet would still like to become involved in St Mary's PTA, we would love to hear from you! Feel free to contact Claire on 07846 678680 or email stmaryscoltonpta@gmail.com

We hope to see you there!

St Mary's PTA xxx
