## What to Do:

1. Colour in the pirate eyepatch template (provided). Remember to leave the skull and crossbones white.
2. Carefully, cut out the eyepatch.
3. Ask a grown-up to help you put holes in the eyepatch where the little circles are.
4. Get the elastic or string and put it around your head to work out how much you will need.
5. Then, thread this through the holes. This is a bit tricky, you might need a grown-up to help.
6. Use the sticky tape to keep the elastic or string in place.
