

# Meet Tony Ross

Tony Ross is one of the most famous children's authors in the UK.

You might have seen some of the books he has written or illustrated in your classroom or in the library. As well as writing over 50 books himself, can you believe that he has illustrated over 800 books for lots of other authors?

Read on to find out more information about Tony, including an interview with him.

## Tony the author

One of Tony's best-loved characters is the Little Princess. He has written many books about her and all the things she wants and doesn't want to do.

The Little Princess is 4 years old. Tony says that she reminds him of his daughter when she was little. Often, the Little Princess doesn't do as she is told. For example, she always wants to stay up late when it's bedtime. The first Little Princess book was called I Want My Potty.

## Tony the illustrator

Tony has illustrated many books for other writers. These include the famous Horrid Henry series by Francesca Simon.

He also brought aliens to life in stories about Dr Xargle, written by Jeanne Willis.

# Tony Ross, in his own words

## Why did you become an illustrator and writer?

It just happened. I didn't like my job at the time and I wanted to do something to cheer myself up. I never thought I'd be an artist as I always wanted to work with horses. I once wrote to an actor to ask if I could be a cowboy in one of his films!

## Where did you write your first book?

I wrote my first book when I was at work. It was called *Tales from Mr Toffy's Circus*.

## How long does it take to write a book?

It can vary. Sometimes, it is as little as a few days to do the story and the pictures, but thinking about the idea can take weeks, months or even years.

## Are there any characters that you really enjoy drawing?

I love drawing Miss Battle-Axe from the Horrid Henry books. She never smiles.

## Is it hard to do illustrations for other writers' books?

It's easier to illustrate your own because every illustrator has things they don't like to draw or can't draw. If you write the story yourself you don't include those things in the story!
