

What makes an effective teacher?

Think about a teacher who would help you to be the best learner you can be.

THINK:

- What are the characteristics of an effective teacher? Why are these important? How should teachers behave? How can they help you? What does a good teacher need to know? How does a good teacher behave? What kinds of things do they say?
- Are all effective teachers the same? Characteristics – same/different? Do we all need the same type of teacher? Does a teacher need a growth mindset?
- Create a job advert for a new teacher, listing the characteristics you believe they need. List them as bullet points and pictures on the next page.

A new teacher is needed who....
