Day 4 English

How many ing sentences can you find?

Nervously, with an overwhelming amount of choice, Oliver picked a protruding straw from the grasp of an older orphan boy. Regretting his selection, Oliver shuffled back to his bench and awaited his minuscule helping of gruel. Delaying the inevitable, he gathered his bowl, took a deep breath and lumbered shoulders slouched towards Mr Bumble. Shaking with fear he spoke the words.

"More!" bellowed Mr Bumble.

Now write some more of your own based on what you have read and watched of Oliver Twist so far. Try and
include some of your new vocabulary.
