

3H Class Prayer

Dear God,

We wanted to pray to say how thankful we are for lots of wonderful things that you have created in this world.

We are especially thankful for our family and our friends who we get to enjoy time with.

For our lovely teachers and school that we can come to and feel happy and safe.

Also thank you for our health, homes and the food that we eat.

We hope that we have a successful, happy time during time in our Year 3 classroom.

Amen
