

5B Class prayer

O Lord,

We thank you for our family and friends who love and care for us,
Thank you for all the people who have worked throughout this pandemic:
teachers, teaching assistants, NHS workers, the police and fire service,
carers, shopworkers, truck drivers, cleaners, farmers and many more,
We thank you for the changing seasons, the lovely sunshine, our pretty
flowers, trees and plants that are forever growing and changing.

We are sorry for not always thinking kindly of others and sometimes
hurting them with the things we do or forget to do,
We say sorry for not always making the time to listen to you and to pray
to you,

We are sorry that some people in the world are still homeless, worried,
scared, hungry, lonely and in pain,
Please hold them close to your heart, ease their worries and pains and love
them always.

Please look after our family and friends in these difficult times,
Help us to be kind and generous in thought, word and in our actions,
In these challenging times, please keep an extra special eye on our NHS
workers and guide the scientist to discover a cure for COVID-19,
Please watch over our St Matthew's family, with the hope of better times
ahead.

Lord hear us,
Lord graciously hear us.

Amen.
