

## 5D's Prayer.

Dear God,

Thank you for our friends and family, who provide lots of happiness and compassion. Thank you for their company – they provide laughter and kindness.

Thank you for our home, for a safe place to allow us to be joyful. Thank you for the food and drink you provide, to keep us healthy and strong.

Thank you for our school, for providing us with knowledge and an education. Thank you for our teachers, who help to educate us, to keep us safe and happy.

Thank you for the creature and animals that surround us. Thank you for the nature you bless us with.

Thank you for allowing us to have a place of worship – to pray, to ask for forgiveness and to celebrate the world you created. In the name of Christ,

Amen.
