

To know about a range of jobs carried out by people I know and how much they earn

Match the salary to the jobs. Look at the amounts below and write across from the jobs what you think each earns.

- £29,175
- £22,375
- £16,000
- £16,300
- £3,000,000
- £19,229
- £24,500
- £59,150
- £31,100
- £35,100
- £42,500
- £80,990

Think about:

1. Who earns the most and why might that be?

---

2. Who contributes the most to society?

---

3. Who should earn the most based on the job they do?

---

4. Who would you give the least salary to? Why?

---

We will share the actual salaries based approximately on the national statistics later on.
