

Dear Lord,

Help us to respect to each other and care for one other. Help us to say kind things to everybody and be the best we can be. Help us to show gratitude. Support and guide us through the worst time and guide us to overcome any fears which we may face. Help us to be charitable and caring to all. Grant us courage to be honest, never give up and stand up for what we believe in. Help us to talk to you and have fun in our lives.

In Christ's name,

Amen
