

6W Class Prayer 2023-2024

Dear God,

We pray to you to give thanks for everything that makes our lives whole. Our St Matthew's family including our teachers and our friends give us joy. Our families, homes and pets help us feel safe and loved. Food such as the greatest of all – cheese – helps us feel content. Games, books and the gift of life itself help us to have fun and thrive in the world. We hope that we continue to be blessed by God, be happy and aspire to be the best we can.

From our whole 6W family

Amen
