Mathematics

Calculate and compare the area of rectangles using square metres (m²)

Independent Task

Miss Brinkworth

Work out the area of each of these rectangles in m²

9 m
6 m

Area =

7 m
8 m

Area =

11 m
13 m

Area =

16 m
10 m
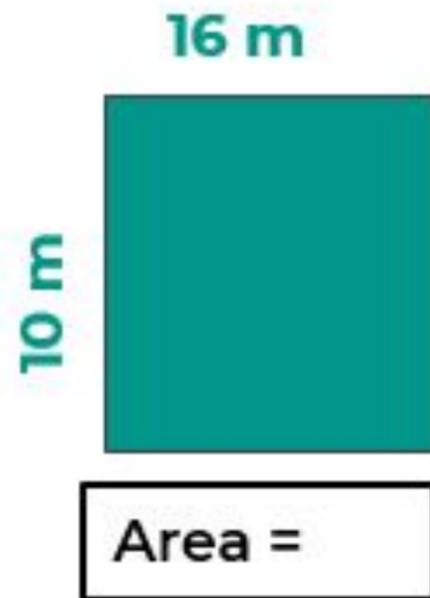

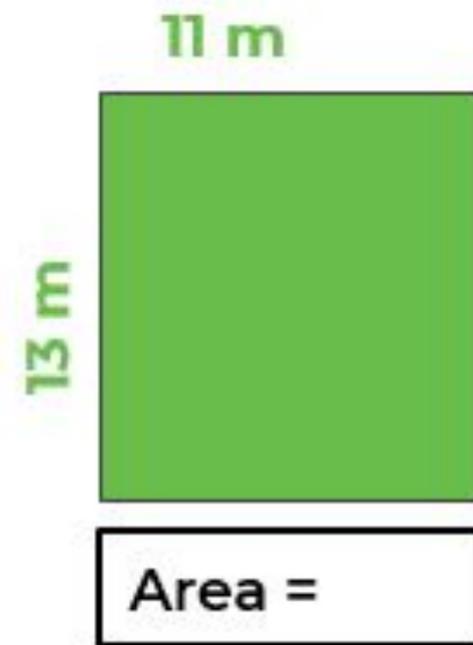

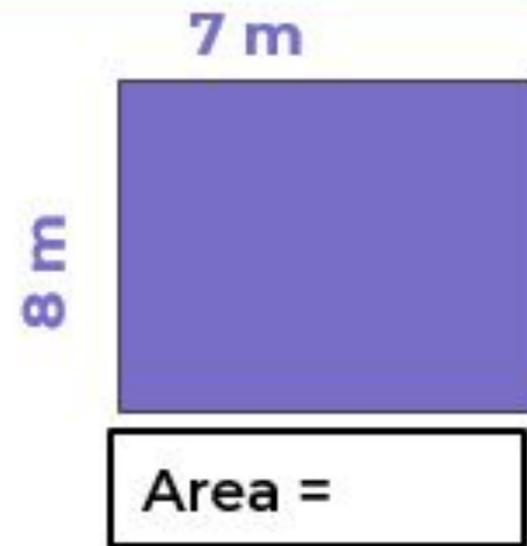

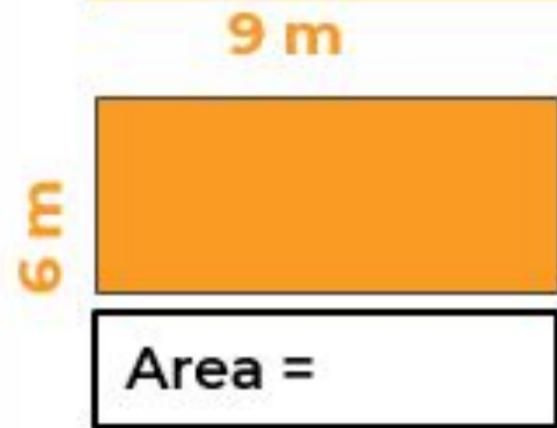

Area =

Use the area to calculate the missing side

?m
3 m

Area = 36m²

Side =

? m
40 m

Area = 1200m²

Side =

9 m
? m

Area = 54m²

Side =

? m
70 m

Area = 5600m²

Side =
