

WAGOLL

What a good one looks like!

This is an example of a good opening to a similar story. The highlighted parts are the parts that you can change with your own ideas to your story if you wish to do so. The rest you can copy writing to help you with the flow of your story. If you want to create your own, you can use it as an example to help you write the opening to your story. This will be modelled on the morning of the activity.

Opening

Early in the morning, at first light, Farmer Dan woke up to the sound of the flame feathered cockerel crowing loudly. Firstly, he put on his work clothes and prepared himself for a busy day at Sunnybank farm. Farmer Dan walked downstairs to put on his red, shiny wellington boots before going out to fix the fence on Sunnybank Lane. The morning soon developed into a boiling, hot day so Farmer Dan decided to take a break back at Sunnybank Farm.
