

Have you every been to the farm? What did you see at the farm? If you haven't what do you think is there? You may want to know a little bit more about the farm e.g. Why do they use tractors? Where do the animals live?

Under **What I know**, have a go at filling in what you already think you know.

Under **What I want to know**, write some questions that you have about the farm.

Under **What I have learnt**- Leave until day 9!

The worksheet is titled "Farm" in a large, stylized font at the top center. Below the title is a table with three columns. The first column is headed with a large green letter "K" and the text "What I know". The second column is headed with a large green letter "W" and the text "What I want to know". The third column is headed with a large green letter "L" and the text "What I have learnt". The "What I have learnt" section contains the instruction: "Leave this part for Day 9 when you have found out more about the farm." The background features a blue sky with white clouds and a green field. On the left, there is a cartoon illustration of a sheep. On the right, there is a cartoon illustration of a brown and white cow with a red collar and a yellow bell.

K	W	L
What I know	What I want to know	What I have learnt
		Leave this part for Day 9 when you have found out more about the farm.
