## We Say

We are very pleased with this result, but we do not take it for granted.

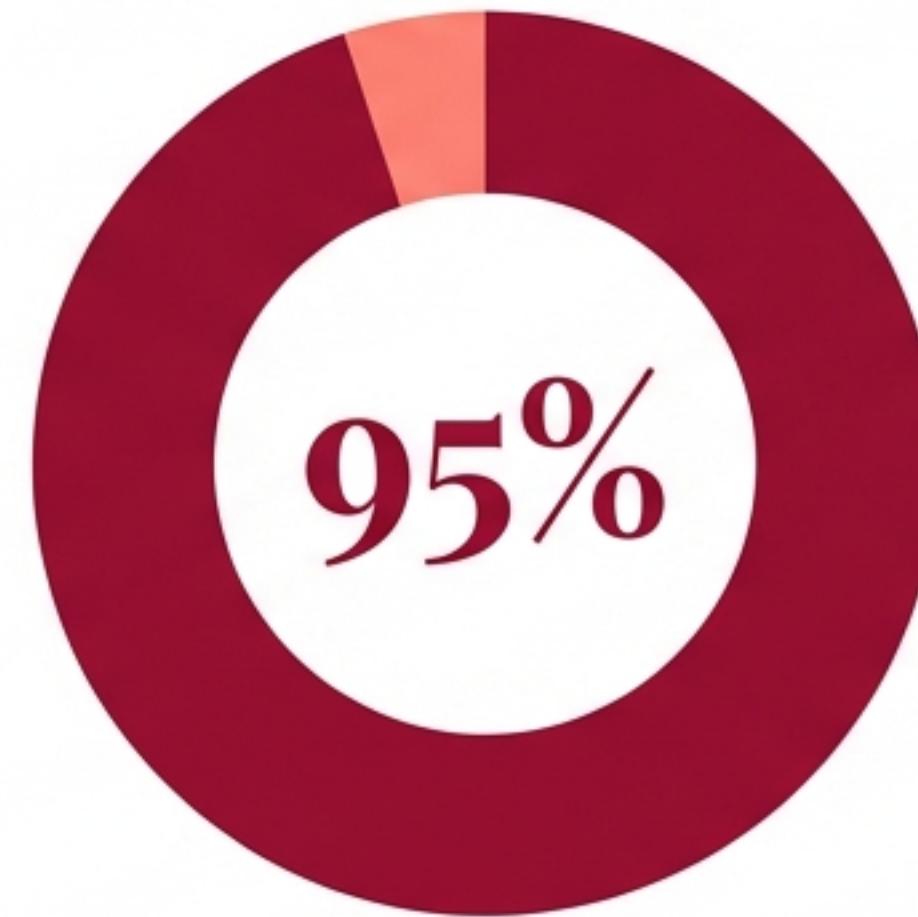

Safeguarding is our number one priority. Regarding the single negative response on safety, we are already working to address those specific concerns.

We continue to work on the 'be happy' aspect of our school vision.

Behaviour Standards

The school makes sure its pupils are well behaved.

## We Say

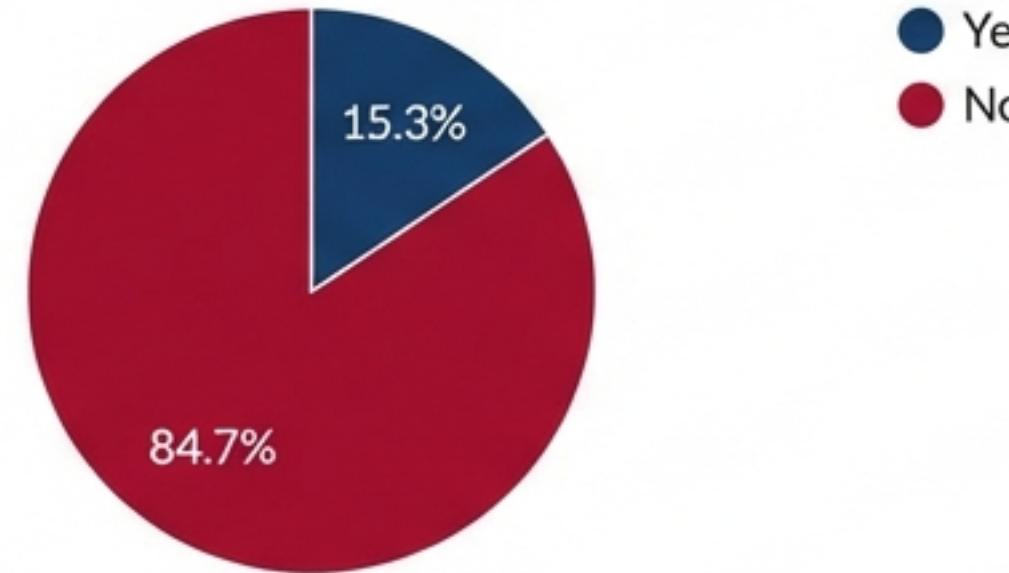

We work hard to guide children in making the 'right choices'—not just in how they play, but in how they treat everyone with respect. Behaviour is taught daily.

It is pleasing that parents agree with our visitors that the behaviour of our children is very good.
