
The Lighthouse Keeper's Lunch

Sheet 6 – Write the resolution and ending of your story. Try and include some different joining words to make your sentences longer such as 'and', 'but', 'or', 'because', 'so', 'when' and 'while'. For example:

Mrs Grinling knew she had to come up with a plan so the seagulls would stop stealing Mr Grinling's lunch once and for all. She began to wonder why they kept pinching the sandwiches and suddenly she realised why,
"They must be stealing them because they're hungry!" she cried.
Mrs Grinling decided that she would send another basket of food down first, especially for the seagulls to eat. Hopefully they would then be too full to eat Mr Grinling's lunch.
Her plan worked spectacularly well! She sent down the first basket of food packed with a whole host of delicious treats for the seagulls and when she sent down Mr Grinling's lunch, the seagulls were far too full to go anywhere near it. Finally Mr Grinling was delighted. He could finally eat his lunch in peace.
