

Sheet 9 – Ladybirds and Spiders

Elephants

Elephants live in Africa and India and are the largest animals that live on land.

Elephants have tough grey skin and large ears. They have a long nose called a trunk that they use to drink water. African elephants have bigger ears than Indian elephants. Elephants have tusks to protect them from other animals.

Elephants are herbivores and eat bark and leaves from trees.

A bull elephant

A mother elephant is called a cow.
The dad is a bull and a baby is called a calf!

Tigers

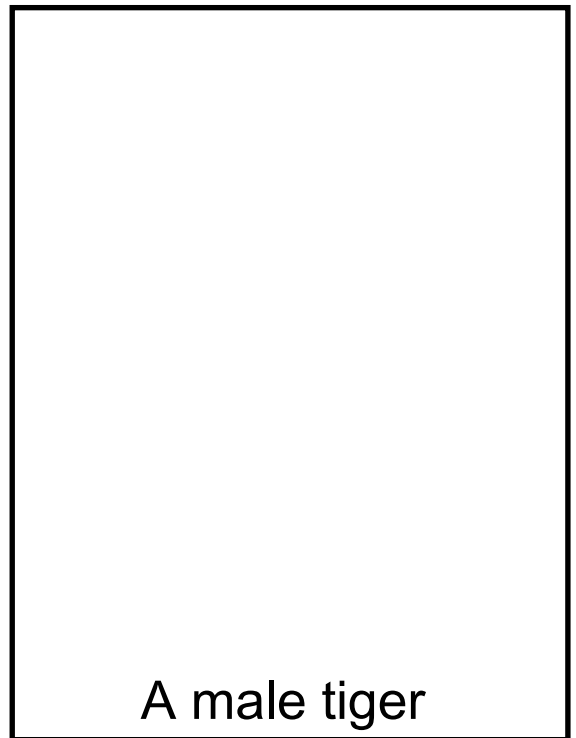

Tigers are a type of big cat that live in India and are very dangerous.
