

Day 4- Opening

SNIP SNIP SNIP was the sound of Wallace and Gromit cutting people's hair in their very own majestic hair salon. Cautiously, Gromit was mixing up a variety of wonderful colours when suddenly, he spotted a shiny, glitzy magazine that had the headline 'MURDERED HAIRDRESSERS!' He couldn't believe his eyes! Speedily, he ran over to Wallace to show him the report and they both gasped in fear. Would they be next? Hastily, they both carried on for the rest of the day creating beautiful, stylish hairstyles for their happy customers but were frightened about the leaving the shop that evening.

Day 5- Build Up

After a long day at work, Wallace and Gromit locked up the salon and began their long walk home. Quietly, they chatted to one another until a sudden BANG shocked them both. A tin bucket, full of water hit the ground. "AHHHH!" screamed a booming voice. Swiftly, Wallace looked up to the sky to see a petite lady falling from the sky. He ran and caught her in his arms just in time before she hit the floor. The young, pretty lady gazed into his eyes and his heart melted. "Thank you, you are my hero!" she exclaimed whilst throwing her arms around him.

"Please go out with me so I can say thank you, my name is Snipella?" she asked. Wallace nodded his head in awe and Gromit looked like he was going to puke.
